NZYKC Dog Training

Rally-O

Can your dog pay attention? Sit? Lie down? Or learn quick? Then you are already half way to becoming an expert Rally-O handler. Rally-O is a awesome sport with a little bit of everything put together for you and your dog to have amazing fun.

Some of the main ideas and commands your dog would need to know are:

- Sit
- Down, and
- Come into a sit present (Where the dog sits in front of you)

Wintering Over

There will be less shows in the winter for our dog sports, so congratulations will be down, but you don't have to place or win something for you to be proud of a achievement!

If you have finally nailed a trick, or preformed at your school. Or anything you are proud of that you have down with you dog, **send it in!**

We would love to congratulate the small things and the big things.

Fundraising

Check out what our own amazing fundraiser Sophie Tarry has been up to. Great job girl!

I would like to thank the Cambridge Dog Obedience Club for allowing the flygility show, to be used to raise money for the YKC camp travel subsidy and for donating all of the ingredients for the kitchen catering.

A big thanks to all of the sponsors of the raffle.

- VitaPower (palaMountains products)
- Bowwow Box
- Doggy Deli
- Wickfield Grooming Studio
- Vetora
- Lickety Lick
- Petworkz
- Dog Mechanics
- Elite Sport Dog Equipment

Over the weekend in the kitchen we made a profit of \$368 and a further \$469 from the raffle, then an extra \$50 which was made at the champ show with the novelty event. So a grand total of \$887.
